The Thompsons, a loving family living in the peaceful suburbs of Buffalo, New York, are the definition of wholesome American normalcy. On the eve of their thirteenth wedding anniversary, Dan and Joyce head into the city to celebrate leaving their three children: Christopher, Sally and Jacob. However, when Maggie, their usual babysitter has to cancel, the Thompsons call upon a new girl, Anna. As the nights creep along, the kids slowly realize that Anna is not exactly who she claims to be. Jacob, the eldest, must quickly grow up to protect his siblings from the nefarious intentions of Emelie, the psychologically disturbed woman masquerading as their sitter.

Mark has a problem. You see, sometimes he has trouble concentrating. Like, "serious fuzzy vision / my head might fucking explode" from all of this sensory information sort of trouble concentrating. Mark has ADD and when what should be a simple task – the refilling of his Ritalin after an eccentric junkie steals his original prescription – goes horribly wrong, Mark's Thanksgiving trip to see his wife's family devolves into a catastrophic exploration of the seedy underbelly of the city of Portland and the slow deterioration of his marriage
